

YOUR **ULTIMATE SOURCE** FOR GOVERNMENT SPENDING ACTIVITY

Want to do more and better business with the government? You've come to the right place – Onvia.

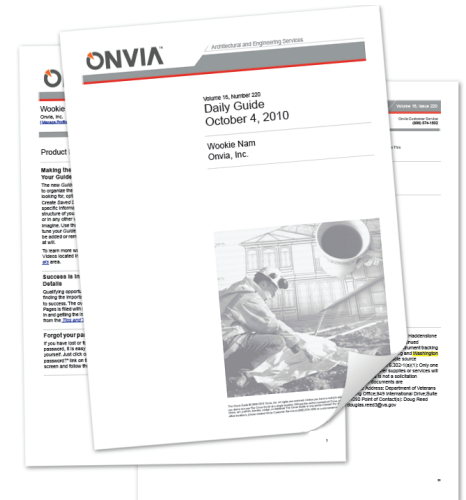

The **ONVIA ONLINE DATABASE** is your direct connection to the \$5.5 trillion gBusiness marketplace and more than 89,000 agencies at all levels of government.

Our unmatched source of government-contracting leads and contacts is updated with thousands of new opportunities each day. It lets you follow the entire lifecycle of agency spending, from spending and capital improvement plans and Advance Notices to bids and RFPs to contract awards.

The Online Database features four key components to help your company succeed in the gBusiness market:

ONVIA GUIDE

- ▶ Never miss another lead. The Guide delivers the latest leads to your email Inbox every morning in a clickable PDF file
- ▶ Set up saved searches so that you receive only the leads that match your business and markets
- ▶ No more spending hours hunting RFPs and bids and cold-calling agencies – we do the work for you, so you can focus on winning contracts.

PROJECT CENTER

- ▶ Search for contracting projects by keyword, industry, location, market sector, and more
- ▶ See which bids and RFPs make sense for you to pursue

- ▶ Identify buyers and keep tabs on the competition
- ▶ Get early notice of upcoming projects, and download bid documents.

AGENCY CENTER

- ▶ Quickly and easily find agencies that buy what you sell – and the decision makers you should be talking to
- ▶ Create sales pipelines and marketing lists in seconds
- ▶ Automatically track the agencies you want to do business with.
